

Quick is a Rambo and Elsey daughter. She is line-bred 2-3 on Yoschy!!!!!!

She is a super bitch with extremely drives and hard protection with good social aggression. Also very good conformation!!!

When you see the protection of Yoschy, his daughter Lindsey, her daughter Elsey and now her daughter Quick than you can see what I mean with genetic drives!!!

SchH.II Kkl.II

She passed away november 2008.
